THE JOURNEY OF A *Lifetime*

HONORING THE PAST, CELEBRATING THE PRESENT AND
JOURNEYING TO THE FUTURE

Fellow Disciples,

Our church is built on the rich foundations of Past Leadership while thrusting into a new and glorious future by Celebrating those who are working even now to preserve our rich heritage and legacy. If you speak to our “Senior Saints” they remember our old “Edifice” and its purpose of bringing us together, while they look back they also Thank God for where we are now. The residuals of the Fellowship, Praise and togetherness of “The Institute” still reside with us today.

We are launching in conjunction with God’s Army of 1000, our 2021-2022 Capital Campaign - “The Journey of a Lifetime”. This project is a team effort, for every disciple. Take a moment, and think about your Former Pastor, Former leader, or retired Elder or even someone close to you. Someone who has worked tirelessly for the local church and also for our District. We are giving every disciple the chance to Honor, Celebrate, and Remember their loved one.

Starting now, you can be a part of History for years to come. Join us by selecting which brick engraver you would like.
